2014 POTENTATE ELECT LOWELL DOMIER

I suppose I should thank Past Potentate Tom Moe (I think) for appointing me Outer Guard in 2006. He has given me a lot of advice & support (some of it even helpful). Thank you Tom!

I would like to thank all of the Nobles who attended the Annual Meeting, Potentate's Reception, and the hospitality room on January 11th. It was a very special day for Lady Deb and I. As some of you know I was able to bring my son Eric into the Shrine at the Annual Meeting. It is an opportunity that doesn't present itself very often. Thank you Ritualistic Divan for helping to make this happen. Thank you, to my First Wife Deb for all her support and time.

As I found out, becoming Potentate doesn't give you much time to relax. I'm proud to announce that within the next few weeks we will have a New Kem Shine Unit—CAP N CORK! There will be more information following in the next issue of the Sands. The winter Session of the Midwest Shrine Association is being held in Souix Falls SD on Feb 20-22. We Will have more information on the Summer Session of the MSA to follow. The date is Aug 21-23, mark your calendar. Our first regular ceremonial is on March 15th in conjunction with the St. Patrick's Day Parade. Lets do all we can to make it a big day. The Circus in Grand Forks & Minot are scheduled for the end of April. Williston Circus at this time does not have a date set. The Hospital Trip to Minneapolis is set for May 15-17. If you have never attended, this is something as a Shriner, you

should attend. Scott Midstokke has done a wonderful job with this. Just let him know if you're planning to attend. Kem's Annual Spring Ceremonial is June 7th. There is a block of rooms at the Guest House Inn. Hope you can attend.

The Annual Grand Lodge Communication is held in Grand forks June 13 & 14. July 6th thru 10th is the Imperial Session held in Minneapolis. As most of you know our very own Dale Stauss, PP and current Deputy Imperial Potentate is set to become Imperial Potentate of Shriners International. Yep! That's right, the #1 Shriner in the World and I think it would be great if we could have a large number of Kem Nobles in attendance. Monday July 7th is election, Tuesday 8th: 7:30 Parade & Kem Party to follow, July 9th: Dales installation. This is a one time event so let's give Dale all the support we can! This year we are going to try and have a few more functions to help our new Nobles start becoming involved. Membership again is a priority not only bringing in new Shriners but keeping the Nobles we already have. With everyone's help we can reach 16years of growth.

Remember we are Shriners, it is our job to maintain our Hospitals to Build Better Tomorrows One Kid At A Time!

Lowell Domier, Potentate

Hello Nobles & Ladies!! I hope 2014 brings all of you good health & happiness. Where did the last eight years go? It seems like yesterday when Lady Deb told me, "I'm not 100% against it". And here we are. I am honored to be elected Kem's Potentate for 2014, I will do all I can to fulfill the expectations entrusted to me. Thank you all!

A special thanks' has to go out to Past Potentate Jim Kienast for a wonderful year and for the 15 years of consecutive growth. Great job Jim! A Special thank you to two Ladies who put in a lot of extra work this past year Janie & Jonielle. Thank you for making the transition easy.

I would like to thank Roger Baier for accepting the position of Outer Guard or "Keeper of the Pink Purse". I can only hope you have as much fun over the next few years as I have had. I wouldn't trade any of it, good luck Roger!

Burn Awareness
Preventing Burn Injuries

Annual Burn Awareness Campaign Scheduled to Begin in February

Shriners Hospitals for Children® continues to be determined to decrease the number of preventable pediatric burn injuries by raising awareness. One program in this effort is the annual Burn Awareness campaign, which began more than 20 years ago.

During the first full week of February, our public relations efforts emphasize Burn Awareness Week, the kickoff of a yearlong educational campaign aimed at burn awareness and prevention, including offering free educational materials via our website. The items, including posters, activity books and fact sheets, are designed to be a resource for firefighters, teachers, parents and others concerned with the safety and well-being of children. Many of the items are available in both English and Spanish.

We are once again using the theme "Be Burn Aware," and focusing preventing burn injuries in the home because the vast majority of preventable burn injuries continue to occur in residences. Homes are the sites of thousands of burn injuries to children every year, including scalds, fire-related injuries, and even electrical burns. Many of these incidents could have been easily prevented by following and implementing some basic safety tips. In the U.S. the occurrence of major pediatric burn injuries has decreased; these educational efforts do have an impact.

"At Shriners Hospitals for Children, preventing burn injuries and providing burn awareness education is an ongoing effort," said Kenneth Guidera, M.D., chief medical officer, Shriners Hospitals for Children. "In 2014, our campaign, 'Be Burn Aware,' will again focus on teaching children and their parents ways to avoid burn injuries at home, with added information on preventing fire and electrical-related injuries. So many of these injuries – as well as those caused by scalds or other incidents around the home – could have been prevented. We hope our annual campaign helps reduce pediatric burn injuries."

The campaign features two child-friendly characters who showcase and share our messages. Boots and Brewster – a caped, cuddly bear and a googly-eyed teapot – are featured in activity books

for children ages 3-7 and 8-12. The entertaining duo leads the children through the various rooms of a house, pointing out dangers, and how to easily correct or avoid them. The coloring pages, word searches, cartoons, and other activities are designed to grab the children's attention and present the information in a memorable, age-appropriate manner. The campaign also includes a poster of safety tips, as well as materials emphasizing prevention of scalds, fire-related and electrical burns.

"Shriners Hospitals for Children is committed to improving and protecting the lives and health of children," said Richard Kagan, M.D., chief of staff, Shriners Hospitals for Children — Cincinnati and member of the physician executive team. "Our burn awareness campaign is one element of that effort. Following prevention guidelines can keep children and families safe and help them avoid potentially serious, devastating injuries."

All available materials will be available for viewing and ordering at burnawareness.org.

Shriners Hospitals for Children is also assisted in its burn prevention efforts by members of the Shriners fraternity, who promote the campaign in their local communities in a variety of creative ways.

2014-----ANOTHER YEAR OF GROWTH-----2014

KEM Shrine reached its 15th year of growth in

2013. The membership goal was reached and now we all must look forward to 2014 and our goal to make 16 years of growth.

"The great thing in the world is not so much where we stand, as in what direction we are moving." O.W. Holmes

All Nobles must be thanked for all the growth we experienced in 2013. Also, thanks for the membership, new units, new activities and the effort to keep all Nobles active and committed. The key to our Shrine success is our commitment to membership growth. All Unit/Club membership-creation goals will be listed at the end of this article. Unit/Clubs will need to gather names of potential Nobles and the goal is to create new members from your lists. Effort toward these goals need to begin ASAP so that we may again reach our goal of a plus in membership growth in 2014.

"Individual commitment to a group effort—that is what makes a team work, a company work, a society work and civilization work." Vince Lombardi

There is a need, too, for Nobles to be good mentors to our newest Nobles. Upon receiving the names of Nobles who would be willing to be mentors—we ask that you follow-up and communicate with the newest Nobles. So, if you are willing to take on this role, please contact the KEM office. The office in turn will contact the membership committee or Potentate Lowell Domier.

"One of the things I keep learning is that the secret of being happy is doing things for other people." D. Gregory

Lastly, restoration of Nobles is always an ongoing project. We must secure the membership we have and reach out to our Brothers. A new contact with a Noble could make all the difference in the world. All our lives change over time, but to bring back good men is a gallant task. Involve their family as well and encourage Nobles to return.

"Problems are not stop signs, they are guidelines." R.H. Schuller

Our commitment to membership has always been our goal. All Nobles must keep this goal in sight. We have all worked to reach this point in membership growth. We can all make 2014 our best year to date. Be involved, be committed, get active and enjoy this year with your family and our Shrine Center.
