

KEM ACROSS THE Burning Sands

Volume 47 — Number 3

Kem Shriners, Grand Forks, ND

May 2014

A WORD FROM YOUR POTENTATE

Hello Nobles & Ladies!! It looks like spring might finally be here (hopefully!). With spring here that means parade season is upon us. This is a busy and exciting time of the year. There's two things that our units need to remember: 1) make sure all Nobles participating in parade's and other functions are current with dues and have their card. 2) All Units need to send in their list of non-Shrine parades that they will be attending (I will sign & approve all requests). We need these two items taken care of as soon as possible to make sure that in the event of an accident every one and every Unit is covered by our insurance.

The last two weeks have been very busy with three Circuses and 18 Shows!! We started off on April 25th in Grand Forks with one of the largest attendance numbers that they have ever had for 3 Days. It was off to Minot the next morning April 28th. I was welcomed with snow (just what I wanted to see) but that didn't seem to slow anyone down as attendance was strong. We gave away 60 bicycles and sold 21,000 candy bars!! Thank you to Hess Corporation for donating the bicycles. Williston opened on May 2nd, their second year with two nights and 4 shows. Judging by the turn out I wouldn't be surprised to see more shows added. Thank you to those who worked very hard to make our Circuses the success that they have become. As most of you know the Circus is Kem Shrines largest fund raiser and it is also the event that brings out the greatest participation by our Nobles. I would like to thank all of the Nobles and Ladies personally for their Hospitality and friendship, with who else but Shriners can you enter a room for the first time and be welcomed as an old friend. I should not forget to mention that we made 7 new Shriners during our Circuses across Kem, we put them to work immediately. Congratulations to all of you!!

I would like to thank the Stephen Funsters for hosting the May Units Council meeting. Attendance was very good and the food even better! We discussed several events that are coming up. First thing being Spring Ceremonial Friday June 6th starts off with Golf at noon at the Coun-

try Club with hospitality that evening. Saturday June 7th begins with Candidate Registration at 8:00 am. This is our big ceremonial so lets try to have as many Candidates as possible. Parade line-up is at 9:30 with a picnic to follow the parade, our Ladies will be having lunch at the Boardwalk after the parade. I hope to see as many Nobles and Ladies as possible in the basement of the Masonic Center for an evening of food, dancing and fellowship. Look over the whole Spring Ceremonial schedule printed on last paged of the Burning Sands.

Our next Units Meeting is in Grafton on Wednesday June 11th. It was moved ahead a day to avoid any conflict with the Grand Lodge of North Dakota being held in Grand Forks. June 12-14. I hope all who are able will attend.

On a personal request, there is a parade in Mayville on June 21st. Step off is at 10:30 am. If any Units are available please come!

July kicks off with the Imperial Session on July 6th with competitions taking place July 7th & 8th. At 7:30 in the Imperial Parade and it looks like Kem is going to have a very impressive showing. We are at the front of the parade this year. Fol-

lowing the parade we will have a Kem Party at the Double Tree Hotel on top of the parking ramp. Wednesday morning July 8th Dale Stauss (the Kid from East Grand Forks) will be installed as Imperial Potentate. I hope to see you there. It will be a great day for Kem Shrine! There is a good chance that a bus, which would start in Minot, will be going to the Imperial Session. If you are interested, look for the information printed in this paper.

Immediately following the Imperial Session is our Shrine Football Game which will be played on a Sunday this year. July 7th the Player's register in Mayville. Friday, July 11th is a picnic for all Players, Coaches and all Shriners who are able to attend. Saturday July 12th we have a golf tournament in Northwood. This will fill up fast so if your team is going to play please get signed up. Sunday July 13th is game day. This year the game will be played at the Fargo Dome. Let's show up with a lot of Kem Fezzes and see if we can outnumber the El Zagal Nobles to the south!!

August brings us the Midwest Shrine Convention in Sioux Falls, SD. I know we have a busy summer ahead, but I hope to see you in Sioux Falls. Talk to Paul Hanson or Steve Renslow about housing.

As always membership is very important. We are off to a good start bringing in new Shriners and I hope to make many more. Just as important is keeping the ones we have. So if you haven't seen a Noble in awhile, call him and invite him along or just visit, we are brothers and friends.

Well I've rambled long enough. Lady Deb and I couldn't be more proud to be part of the Shriners, where else can we have the fun we do **BUILDING BETTER TOMORROWS ONE KID AT A TIME.**

**HAS KEM MEMBERSHIP BECOME
OUR MISSION?**

By Wayne Bauste

We have fifteen years of membership growth and now we are challenged to make the year 2014 number 16. We set goals each year, but now KEM may approach membership growth as our yearly mission; a mission that involves all Nobles working together for the betterment of our Shrine.

“If I’m not, who will be?” H.D. Thoreau

The best example of all Nobles working together is found at our circuses. These circuses held in Grand Forks, Minot and Williston saw hundreds of Nobles working together and having fun. We thank these Nobles who work months in advance to plan and organize these events. Also we thank those Nobles who sold tickets and came to volunteer their time to make each circus a success. It was fun, enjoyable and we again got to know and meet our fellow Nobles. We can all do this again in July with the Shrine Football game. Our mission means involvement and let’s make this a reality in 2014 for all Nobles.

“Both optimists and pessimists contribute to society. The optimist invents the airplane, the pessimist the parachute.” G.B. Shaw

We are once again approaching the summer season and with this bring new challenges and opportunities. The major challenge is finding new Nobles. Potentate Domier has set the goal at 80 new creations. We also need to work on our restorations. Past Nobles may find new light in our Shrine once again. But, they must be asked and welcomed back by our Nobles. We want all to revisit this approach to our membership. Opportunities are endless and again our presence out in the public is a great start.

“We would accomplish many more things if we didn’t think of them as impossible.” Unknown

Our parade season is not far off and that is one great opportunity. Our June Ceremonial is set; make plans to attend now. Also plan to attend the Imperial Session in Minneapolis July 7 – 10. The Midwest in Sioux Falls, SD in August is yet another opportunity. Nobles and their Ladies cannot attend everything, but we ask you to get involved with something. So, make 2014 the year that you do something with the Shrine.

“Never be afraid to try something new: Professionals built the Titanic, and Amateurs built the ark.” Unknown

All Nobles are to remember that June 6 is Shriners International Awareness Day. Nobles across the globe are encouraged to celebrate their great fraternity and generate interest and awareness of its work and its importance in their communities.

PUBLIC RELATIONS

By Steve Symons

Greetings- My Lady Libby and I had the opportunity of being both attendees *and* presenters at the 2014 Temple Public Relations Conference in Tampa on April 24-25! The conference was run by our own Imperial Sir Dale Stauss and his Lady Cheryl. The Stauss' were stars of the conference as Imperial Sir Dale currently holds the office of not only Deputy Imperial Potentate but also Imperial Public Relations Chairman.

Libby and I were asked to present on 'website standards'. Now, I know 'website standards' may sound a bit dry to some of you out there in KEM land (and sometimes to me as well!), but it was quite an honor to be asked. Over the last two years, Libby and I have completely rebuilt www.kemshriners.com from the ground up. Our goal was to make our site modern, clean and simple-to-navigate all the while following the standards set forth by both Imperial and the Shriners Hospitals for Children. I feel our presentation was very well received as we had many Nobles approach us afterwards to discuss their own websites. As always, the conference itself had great content and, if used properly, will help propel our fraternity into the future.

NEW: the "...for Love Platform": We've most likely all heard of (or participated in) events such as 'Relay for Life' or 'Walk for a Cure'. I'm excited to announce that the Shriners will now have their own such events! We are in the beginning phases of the "...for Love Platform", which will allow communities to personalize their own activities or events but still brand them with the Shrine. A few examples would be Game Day for Love, Hoops for Love, Walk for Love or Putt for Love. I'd like to personally invite you to our first local 'Walk for Love' which will be held on July 5 in Loring Park in downtown Minneapolis. This event will help kickoff the Imperial Session where Imperial Sir Dale will be elected Imperial Potentate. Please share this information with any members planning to attend the session.

UPDATE: the "Love to the Rescue Campaign": The 'Love to the Rescue' campaign continues to be front and center for the Shriners Hospitals for Children. There are multiple new TV spots featuring not only our courageous patients and their success stories, but also celebrity spokesmen such as RJ Mitte from the TV show Breaking Bad and NASCAR driver David Ragan.

This campaign is actively seeking patients or former patients from our region for their national campaign. This is our chance to show the world the great things our local 'Twin Cities' hospital has done for the children. Visit kemshriners.com and click on the 'Shriners Hospitals for Children' section to watch the TV spots and to contact us if you're interested in telling your story. You may be on national TV!

As Shriners, it's a very exciting time to be not only a member of our great organization but also 'owners' of our great hospital system. Now if only we could get some warm weather...

FILLING THE FEZ

By Bill Steckler

On May 23rd and May 30th from 8am—6 pm we need Shriners to volunteer to work 2 hour sessions to offer full service for tips at the Dusterhoff Cenex Station Stores at Demers and I-29 and at South 20th St and 32nd Ave South in Grand forks. Patrons may also be able to purchase cards to be placed in the Stations for one dollar and all proceeds benefit Shriners Children's Hospitals. The cards will available for sale in the stores for a donation the entire week

Please encourage the people you know to participate and stop in to make a donation. This is an approved Shriners Children's Hospital Fund-raiser. We will have Shrine Vehicles on the site for advertisement as well as Radio ads. We will need two people at each station for two hours, so we will need 20 people per day to help out. Please call or text Fred Kitko at 218-779-2965 or Bill Steckler 218-791-6162. Let's make a difference and call to volunteer for Filling the Fez for Shriners Children's Hospitals.

CIRCUS REPORT

By Tom Hanson

The Grand Forks Circus was Great. Attendance was the third largest ever. There were more workers, Shriners and their Ladies, than ever before. Our income per guest was better than last year so the Circus was a great success. From every way we can measure it, this appears to have been a great Circus. The final expenses are not all in yet, however every indication is that this was another great Circus.

Thank You!!

Thank You to all the Nobles and Ladies who came and joined in the Fun of the Circus!!!

You made it a Great Circus!

CIRCUS DADDY PROGRAM

By Tom Hanson

The Circus Daddy Program is a very successful program and provides a great public image for Shriners. Many of you return your tickets that you are not going to use to the Office. We use these to fund complimentary tickets that we provide for the disadvantaged and those with disabilities. We work through local social service organizations to help financially strapped parents get their children to the Circus. Several organizations bring adults with disabilities to the Circus. This year the disabled who need special seating overwhelmed the Ralphs capacity of ADA seating. We are working with them to increase the capacity for next year.

All these actions are great for the Shrine's image. Keep up the good work.

A special thank you to all you Circus Daddies out there!!
