POTENTATE'S MESSAGE

Greetings Nobles, ES SELA<U ALEIKUM

Thank you for being a Shriner and supporting the 'Worlds Greatest Philanthropy' Shriners Children's.

My term as your Potentate for 2022 is about to end and Helen and I deeply appreciate the hospitalities and courtesies extended to us this year. It is truly been a humbling and once in a lifetime experience. From my heart I thank you very much for the privilege to serve you.

The year 2022 marked a milestone anniversary for our fraternity, 150 years as Shriners and 100 years of Shrine Hospitals. That is quite an achievement and we were all part of the celebration.

The "Editorial without Words" statue that was damaged was replaced and stands tall at the Grand Forks Masonic Center. The damaged statue was donated to the Minot Shrine Club. It was repaired, placed on a pedestal, and dedicated on October 22nd to the principles of our fraternity. There was a ribbon cutting ceremony by the Minot Chamber of Commerce with the local TV station ceremony and interview. The statue is the trademark for Shriners Children's. Many of our departed Shriners would be so proud to see it in our Masonic Park. Thanks to the KEM Shriners for donating the statue to Minot. When you are in Minot be sure you see the Statue in our Masonic park at 2524 East Burdick.

On October 22 the Minot Shrine Club hosted a Potentate's Ball. The dignitaries, Grand Master Past Potentates and KEM's First lady Helen and I were Piped in by John Young from New Salem. According to tradition the piper was paid with the finest Scotch. I am very thankful to the Minot Shrine Club for all their years of support to me. It was a pleasant and enjoyable evening.

On October 29th the annual Tables Du Jour was held in Grand Forks. The ladies decorated tables and the men wore their tuxes and served brunch and Mimosas to the ladies. Even one of our prospective Shriners, young Elliot Shear, son of Randy and Ashley, served the ladies. Thanks Elliot! There were money raising events and the ladies had fun. Our Shrine Ladies are a fantastic group of supporters of the Shrine. Thanks, without you it would be very difficult for us.

On November 12th the 100-gun raffle drawing was held. Congratulations to all the winners.

As we wrap up the year, December 3rd will be an eventful day. The KEM Kids Christmas party will be held at 11am, a Shrine Ceremonial at 2pm and the KEM Units Christmas party, hosted by the Keystone Kops at 5pm. Plan to participate and witness what the Shrine is all about.

On January 13th there will be a Ladies luncheon at the Canad Inn, Grand Forks. The invitation and information are in this issue.

On January 14th 2023 is KEM's Annual Meeting and Election of Officers at 9am. This is an important meeting so please be there to support your fraternity and congratulate your new elected officers for 2023. There may be some important legislation for you to vote on. Be sure to bring your fez and 2023 membership card. If you are not current with your dues, Carol will take your money. As usual there will be a Walleye fish fry feed with all the extras.

That evening your newly elected Potentate and his First Lady will have their reception. Please be there to support and receive your Potentate and his Lady. The invitation and information are included in this issue.

The Twin City Shriners Children's center in Woodbury Minnesota is in full operation, with a few covid restrictions. Patients that require surgery will go to Gillette Children's Hospital.

In our fraternity we should always be thinking about membership and hospitals. Support our hospitals by donating a gift to the several areas. Functions such as the Ladies Auxiliary, Camps and activities, prosthetic and orthotic devices, wheelchairs, and accessories, or the adaptive bicycle program need our support. Gifts or memorials may be sent to the Development Office at the Twin Cities. Call Jennifer Sutch at 612-596-620 for more information. KEM's Representative to the Twin Cities Shriners Hospital Auxiliary is Laurie Christianson.

A newly formed unit, KEM Kamperz is under dispensation and if you like to camp and would like to join this unit you may contact Joey Bjornson, Pres., Darrel Schmitz, VP, PP Ron Bergh, Treasurer, or Chuck Hiles, Secretary. It sounds like fun.

Now is the time for all units to elect new officers and get the information submitted to Carol for the 2023 Directory. Her email address and office phone number are included on the second to the last page of this issue. It is important for everyone to know who to contact.

Four important things to remember as a Shriner;

Support our Fraternity and Shrine Hospitals with spirit, time, talent and means. We are owners of the Hospitals and each of us gives \$5.00 each year. The emblem on the front of our fez's has two claws. The claws represent the Shrine fraternity and its philanthropy. Before you place the fez on your head look at the emblem and think about what it stands for.

Respectfully and fraternally, **Ron Penfold, Potentate 2022**

DRUM & BUGLE CORPS TRIBUTE

A tribute to the Drum & Bugle Corps will be part of the Christmas party. We want to recognize them for their decades of playing and marching in parades for Kem Shrine. If you are a current member or a past member of the Drum & Bugle Corps, please attend the Christmas party. The dinner and dancing is free.

The Drum & Bugle Corps started in 1925 and was the 3rd Unit to be organized in Kem Shrine. The members have traveled and marched in hundreds of parades all over the US and Canada over the years. They were honored to lead an Imperial Parade, played at Ceremonials, Potentate Balls, annual meetings and other Shrine and civic functions. All past and present members are invited to attend the Christmas party to reminisce and meet up with other Drum & Bugle Shriners. Come help us celebrate the amazing past of this historic Kem Shrine Unit.

STEPHEN FUNSTERS

Stephen Funsters held a dinner meeting at the Dell Steakhouse in Argyle, MN on September 8th. Spouses were invited. Since some of our members leave for warmer climate before the holidays the meeting was billed as Christmas in September. The evening started with a social time. President Andy Adamson presided over a short business meeting. Some plans and ideas were discussed for the coming year. Dinner was served and everyone had a good early holiday visit.

KEM KAMPERZ officers and new members got together to start the planning for the first camping adventure. We discussed a place to camp, options for a group meal, dues and some fund raising ideas. We plan on having a gathering of those interested in joining **KEM KAMPERZ** in the near future. We toasted to the new **KEM KAMPERZ** with some Happy Camper wine around a great fire. The Ladies had matching flannel shirts and we all went on a side by side ride around the country. "TORTILLA SLAP" had us laughing uncontrollably! Nobles had a Woodchipper Degree that added two members. Nothing but fun!

Noble Chuck Hiles spotted a couple bald eagles along the way...snicker, snicker!

VINTAGE LADIES

Tables Du Jour 2022 successfully raised more than \$5,000 thanks to everyone who donated time, funds, and silent auction items, and all who attended.

There are a few people that need an extra special thank you. First, **Kim and Steve Renslow**, who aided in all the extra details. Kim embraced the job of emceeing with grace and humor. Another goes to **Terry Jenson** for covering all things kitchen flawlessly, creating a superb brunch, and then donating the whole meal. Our thoughtful and kind potentate, **Ron Penfold**, for making the time to attend Grand Forks Tables Du Jour and the donations he delivered from the **Minot Shrine Club** and **his and Lady Helen's** personal donations. To **Roger Baier** for the update on current affairs of the Shriners Children's and how we can best assist in their needs, even in some of the smallest ways (pop tabs). Another big thank you goes to the bubbly local twins **Lily & Sarah Grossbauer**, whom were our guest speakers, as they both engaged and informed us on the help they received from Shriners Children's in the many years of wearing back braces (the girls called them turtle shells) to finally conquer their scoliosis. It was heartwarming to know we helped to make a difference in their lives.

The last big thank you is for the wonderful local businesses that supported the event by donating funds, gift cards or silent auction items in support of Kem Shrine Ladies Table Du Jour 2022.

Burning Sands BOG Report - November 2022

Greetings from the 41 employees at Shriners Childrens Twin Cities Clinic, serving 7 states and 3 Canadian provinces.

Why do families choose us? It's because pediatrics is our only focus. We provide 1) care and answers for unique diagnoses, 2) customized treatment plans, and 3) custom orthotics and prosthetics, to name a few.

In 2021 we had 4,495 visits by 2,205 patients seeking our unique care. So far, just through October of this year, we had 3,412 visits by 1,608 patients.

In 2021 pediatric orthotics and prosthetics – better known as POPS – created 3,112 custom-designed braces, artificial limbs, and adaptive devices.

In 2022, through October, we provided 1,238 customized devices.

The top 5 diagnoses that patients seek for clinic specialized treatment and assistive devices are cerebral palsy, varus deformity (knock knee), flatfoot, limb length discrepancies, and scoliosis. We also treat numerous others, like spina bifida and hip deficiencies.

KEM currently has 232 patients, including 36 from Minnesota.

Our average age of patients is 12.78 years old, where the Twin Cities Clinic average is 12.50 years old.

Overall ND total patients seen at the clinic is 441, which includes ElZagel.

In addition to seeing patients, the clinic is progressing in other areas. Please welcome our newest physician, Dr. Gregory Kalv, who will be involved in orthopedics, sports injuries, and fractures. He will be working 2 weeks per month.

Our newest offering is a cranial helmet program for children who are diagnosed with flat head and torticollis – a neck muscle condition where muscles do not necessarily move. Our collaborating physician for this project comes from Mayo Clinic.

We offer prenatal consultations for expecting parents who have learned while the baby is in-utero that their child has an orthopedic condition. Our team meets with them to talk about the baby's diagnosis and what treatment at Shriners Childrens would look like when the baby is born.

Starting November 8, we are able to take outside referrals for rehab. This is a great new opportunity because it means outside providers can send pediatric patients directly to us simply for rehab – which includes occupational and physical therapy.

As we move into 2023, we are continuing to talk to Avera and Sanford (both have headquarters in Sioux Falls, SD) for collaboration in pediatric care as an outreach delivery option. We continue to have a strong relationship with Blank Hospital in Des Moines and Boys Town in Omaha.

Of course, we can't provide fantastic treatment without support from Shriners and the public. There is one program I would like to bring to your attention where you may want to contribute.

In closing – thank you for this opportunity to share this information with you today and allowing me to be your KEM Board of Governors rep. See you at the Shriners Christmas Party on December 3. Happy Holidays to one and all.

The "Patrol" was the first unit in Kem Shrine. They started in 1908. They changed their name to the Provost in 1991. The Kem Band was the second unit in 1913. They were a marching band. The third unit was the Drum and Bugle Corps in 1925. Some of the old uniforms from these units are on display in the Fourth Floor Club room.

Vintage Kem Shriner Temple Band Hat, 1950's

So many came before!

Thank you to all the Nobles that continue to make a difference in a child's life!

Cheryl Adamson's Dad, H.S. "BO" Buchanan was a member of KEM Patrol. They still have his Fez and uniform.

Thank You for sharing this history with us!

The Oriental Band was a unit of Kem Temple located in Grand Forks, ND. All members belonged to the Ancient Arabic Order Nobles of the Mystic Shrine. The Oriental Band was organized as a parade unit of the Uniformed Units Council. The band paraded in many parades locally as well as entertained at the Hospital for Children. There were thirteen Midwest Temples and the band paraded at each one. The declarations and by-laws for the band were filed at Grand Forks and dated Jan. 22, 1953. The band had been organized in late 1945 after WW II and continued until 2000.

It is my desire to become a **PERMANENT CONTRIBUTING MEMBER** to the Shriners Hospital for Children. Enclosed is my payment of \$150.00.

WHAT IS A PCM?

What's a PCM? Is a Permanent Contributing Member in the Shriners Hospital for Children, and it will continue working in behalf of unfortunate youngsters long after you've taken your final ride on the Black Camel.

The cost is \$150.00, completely tax-deductible, and will reduce your annual dues to \$45.00 by elimination the \$5.00 yearly hospital assessment. You will receive a certificate from the Chairman of the Shriners Hospitals for Children, and your Imperial Recorder. It is suitable for framing. Your membership card will also carry a seal, which attests the fact that you hold a PCM whenever you display it.

"Permanent Contribution Membership" means exactly that. The hospital board invests the money in a permanent endowment and only the interest is used in maintaining the "World's Greatest Philanthropy."

Send your check for \$150 to the Kem office: **Kem Shriners, PO Box 5268, Grand Forks, ND 58206**, and we'll do the rest
