Third quarter 2023

## POTENTATE'S MESSAGE

Greetings Fellow Nobles and Ladies,

Membership is on the right track. Let's keep it going!

Two new Shriners were brought in at the Grand Forks Shrine Circus and one more at the Williston Circus.

Spring Ceremonial was a great day starting out by the creating five new Shriners. The parade was moved back downtown and ended back at the temple with lunch for everyone. It was well attended. Thank you to Larry Wilson and Mike Costello for being our grill masters. That evening everyone enjoyed the social, supper and dancing to the Downtown Horns.

Shrine Football week was very fun and busy. We enjoyed serving the 75 pizza's donated by Deek's Pizza. A big thank you to Deek's for their generosity

again this year. We attended the Ambassador Day and witnessed all the patients do an awesome job presenting their stories. The interaction between the football players and the patients was amazing. What a great bunch of young people. The weather was not very cooperative on the Saturday of the Shrine Football. The city of Mayville cancelled the parade due to the forecasted bad weather. The eleven man game did get completed even with the many weather delays. The nine man team got to play for a short while before the cancellation was called. It was understandable to be cautious when tornado warnings, lightening and hail were all around us.

And as mentioned before, membership continues to grow, as another new Shriner was brought in the morning before the banquet.

While writing this message, my Lady Darlene and I are enroute to the Imperial Session in Charlotte, North Carolina. We are looking forward to a great week.

Don't forget to get your registration in for the summer session in Alexandria, Minnesota. Deadline is July 15 and fast approaching. See more information in this issue.

I would like to invite everyone to the Oasis after the Mountain August the Deuce on Aug. 5. Cycleers will be hosting. Ladies, don't forget to start planning your Table Du Jour theme. Great day, lots of fun and a good cause.

Respectfully,

*Ted Anderson*

**Friday, July 14<sup>th</sup> will be Shriner Night at River Cities Speedway.**

**All Shriners and family members are invited. Admission paid by Kem.**

Unit trailers, cars, bikes, cycles, etc. can be parked on the frontage road in front of the Grand Stand (South side of Grand Stand. North side of frontage road). Please have units in place no later than 6 pm. It would be best to start getting units lined up starting at 3 or 4 pm so we don't interfere with parking, etc.

Racing starts at 7 pm. Please wear your Fez and a Shrine Shirt, including family members, if possible.

Kem will perform the National Anthem for the US and Canada by Randy Shear, Provost to provide the pace car, Potentate to throw the green flag during one of the feature races, and possibly have a parade of units during intermission while one of our members is interviewed by John Roberts, the track announcer.

It would be cool to get a few pictures of the Mobil Noble late models with a few real late models, and any other pictures of us interacting with the racers, etc.

Watch for more information as it comes in. Thanks, John Votava

Shrine Leadership Conference  
March 20-22, 2023  
Tampa Airport Marriot

The Assistant Rabban Leadership Conference provided information on many different topics to make us aware of Nobles Program, Ladies Program, and all our duties to serve effectively. There is a long list of things to do in preparing for 2025. Each day had many different breakout sessions that started at 8:30 am each morning and our business lasted until 5:30 pm. (Three-morning sessions, lunch, and three afternoon sessions.) Depending on the schedule, we enjoyed attending a full banquet dinner with speakers. On other days we had planned dinners with our counterparts and networked with them to learn what other Temples do in our Midwest Association. It is beneficial to know others amid planning and have friends to help organize and plan together so we may fulfill our duties in the most positive way possible. We met and made lifelong friends with some fantastic people involved with the Shrine.

It was an honor to represent Kem Shrine at this leadership conference.

## Kem Temple

GRAND FORKS, NORTH DAKOTA

The name "Kem" was recommended by "Committee on Name" (I. A. Widlund, chairman) at the time the organization of a Shrine was being considered for Grand Forks.

It was suggested to the "Committee on Name" by the meaning of the ancient name of the Nile Valley (Egypt) as expressed in hieroglyphics, namely: black land and black soil. This designation appears upon the monuments and in the papyri of Egypt, variously interpreted from the hieroglyphical signs as "Kam," "Kem," or "Kamt," meaning as stated, black land or black soil, having, of course, special reference to the black alluvial soil of the Valley of the Nile, and in contradistinction to the reddish soil of the neighboring land on both sides of the Nile Valley.

The "alluvial soil" of the Red River Valley of the North, being so distinctly similar in color to the soil of the Nile Valley, the committee deemed it most appropriate and further agreed that this oriental name spelled "Kem" could not very easily be mispronounced, as is the case with many of the complicated names of other Shrines.

# Burning Sands BOG Report - JUNE 2023

## Twin Cities Shriners Childrens Board of Governors Report – June 2023

Greetings from your KEM representative to the Shriners Childrens Board of Governors.

First of all, thank you to Lynn and the Shrine Football Committee for another successful year. Although the games were shortened by lightning, hail, and tornado warnings, from the players' perspective it was still a successful week learning about Shriners and establishing lifelong friends. If you had any players from your area participate, please thank them for taking time to support the Shrine mission. Next year the Shrine week and games have been tentatively scheduled for June 18-22. This will be our 50<sup>th</sup> Anniversary of ND Shrine Football. Please mark your calendars!

This year marks the 100<sup>th</sup> Anniversary of orthopedic care at Shriners Childrens Twin Cities. On August 6, from 1-4 p.m., a celebration will take place at the Woodbury Clinic to commemorate this milestone. There will be music, activities, games, and Shrine unit displays, and lots of interaction with patients, employees, Shriners, and the public.

Summer Shrine Camps are in full swing in Minnesota. A Boundary Waters trip is new this year and is at full capacity. We were also told that Wisconsin and South Dakota camps are at capacity. Is there any headway with getting ND camps established? This would need to be a collaborative effort between EZ and KEM. Maybe a one-day event like ice fishing or summer pontoon rides and games held throughout ND could be a start. We can always build on this as we see fit. To get started, perhaps the Divan could initiate a KEM conversation on what type of event could be held and how to start the planning process.

As for the Midwest Market Project, we are working with our sister facilities in Chicago, Dayton, and St. Louis, continuing to find other healthcare systems to assist us in providing more care in more places. This is an ongoing effort.

We have been working diligently in finding a replacement surgeon for the one who transferred to Springfield. As of this report, I believe we have a part-time surgeon interested in the position. If hired this would complete our medical team.

We recently moved to a new electronic medical record system called EPIC. We had a few hiccups, but overall, the transition is going well. I would like to compliment the Twin Cities staff for helping with the transition in a timely manner so patient care was not interrupted.

Clinic visit numbers are slowly coming back to pre-covid levels. Keep looking for new patients, and hopefully we will have a screening clinic soon to identify additional new patients who can be referred to the Twin Cities.

Hope your summer is enjoyable so far! Thank you for allowing me to be your Board of Governors rep. Please contact me if you have any questions!

*The Kem Kamperz Rummage Sale and Sister Swank Boutique was full of fun and lots of work. Many thanks to all those that so kindly donated items for the sale. There was a lot of good stuff!*

*Many hours of planning, setting up and tearing down were put in by the Kem Kamperz Ladies.*

*Special thanks to Ron Bergh and Steve Renslow for the extra hours they put in helping us out. Believe it or not we used every table available. Thanks to Widows Son's for leaving us the extra tables and table cloths. We had good turn out for packing up and tearing down and it was greatly appreciated. Kem Kamperz made arrangements for the people at the Mission to shop for free at the end of the day. They were so appreciative and took care with their choices. We had other customers at the end of the day that appreciated being able to pick out what they needed. A large amount of extra items went to the Douglas Place who also was in need of many items. All formals were donated to the Twin Cities Children's for their prom. Anything else left was picked up by Boys Ranch on Monday morning. Paying it forward felt wonderful.*

*And of course there were the DONUTS! Gone by 2pm Friday. A hit!*

*A donation of \$1500 will be made to the Ladies Auxiliary Twin Cities at the Parade of Glory in January.*

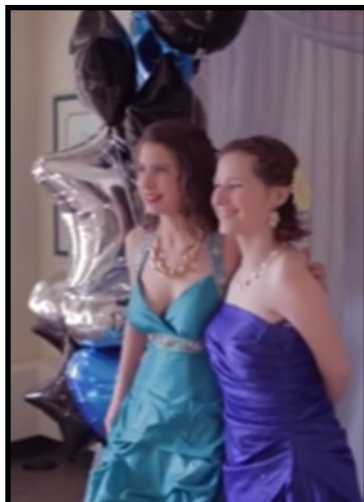

*Again we would like to thank everyone that helped in one way or another. It took good teamwork to make this happen. We couldn't be more pleased with the outcome. Remember us as you set things aside that are no longer in use. We plan to be back next year! Kem Kamperz*

What's a PCM? Is a Permanent Contributing Member in the Shriners Hospital for Children, and it will continue working in behalf of unfortunate youngsters long after you've taken your final ride on the Black Camel.

The cost is \$150.00, completely tax-deductible, and will reduce your annual dues to \$45.00 by elimination the \$5.00 yearly hospital assessment. You will receive a certificate from the Chairman of the Shriners Hospitals for Children, and your Imperial Recorder. It is suitable for framing. Your membership card will also carry a seal, which attests the fact that you hold a PCM whenever you display it.

"Permanent Contribution Membership" means exactly that. The hospital board invests the money in a permanent endowment and only the interest is used in maintaining the "World's Greatest Philanthropy."
